

NAME	2007-Gross	Total Ben.	Total Employer Cost	Tot. \$ Accrued
------	------------	------------	---------------------------	--------------------

NAME – Only the first 250 highest paid employees are posted. Department legend is a separate document. Previous years' 2008 data accompanies 2007 listing.

Gross - Actual wages before and deductions for taxes, SS and any other personal choices.

Total Ben. – Amount paid by KPB for things like, health insurance, life insurance, pension plans, vacation \$ and any other payments.

Tot Accrued. – Amount held for employee for future disbursement ... some might relate to the “use it or lose it idea that some companies have for their vacation \$” but, this amount is held until employee is no longer on staff. This amount might be gotten as a payout upon retirement either in a lump sum or monthly.

2008 and 2009 data will be added as available.
